

Magic Door Workshop

Kids of all ages welcome - from 1 to 110!

Make your own Magic Door

As we all know, little doors are portals to magical places. They can lead one to gnomes, fairies, and many other types of magical creatures! Come join us in creating your own mini magical door to share with your friends

All required materials will be provided, however you are encouraged to bring any magical, shiny, spacey, or crafty additions to make your magical door even more special

Where: Vancouver Hackspace (VHS) 1715 Cook st

When: Sunday July 19th, 2015, 2pm-5pm

Cost: **FREE!** Space is limited to 25 people.

Please register online at <http://doors.abluestar.com>.

Magic Door search and find

Once complete, you may choose to install your door in one of our special places within Mt. Pleasant. Secret codes will lead you from one door to the next until you find them all!

The top secret map can be downloaded at <http://doors.abluestar.com>
